

Training -The other side of research

Responsible Research and Innovation, Dissemination and Impact for science

Wednesday – April 3rd, 2024 - Online

Time (WET/GMT)	RRI Pillar 'Open Science' – Antónia Correia, Universidade do Minho, PT
14h00 – 14h45	Welcome and overview on the Horizon Europe Open Science framework Open access to publications
14h45 – 15h30	Group activity: tools for selecting OA journals; Think Check Submit, DOAJ, SherpaROMEO, Journal Checker Tool
Coffee Break	
15h45 – 17h15	Horizon Europe publishing recommended practices: preprint publication, open peer review Open Research Europe platform
17h15 – 17h45	Group activity: Design the OA strategy for your project
17h45 – 18h00	Tips for writing the OS section in HE proposals
18h00– 18h15	Wrap up and closing

Wednesday – April 10th, 2024 - Online

Time (WET/GMT)	RRI Pillar 'Open Science' – Pedro Príncipe, Universidade do Minho, PT
14h00 – 14h40	Open Science & Research Data Management: an introduction Overview on Open Data policy in Horizon Europe and other funder mandates Horizon Europe requirements for Research Data Management and Sharing
14h45 – 16h00	Key aspects in data management and stewardship Data Management Plans: tools, best practices, examples and use cases Sharing Research Data: where to deposit and publish Research Data

Coffee Break	
16h15 – 17h00	FAIR data principles in practice What is FAIR data and Open data
17h00– 17h40	Key elements of the Research Data Management in Horizon Europe Proposals Identify and assess Research Data Management costs
17h40– 18h00	Wrap up, needs and gaps and closing

Wednesday – April 17th, 2024 - Online

Time (WET/GMT)	RRI Pillar 'Ethics' and 'Diversity and Gender' – Antónia Correia
14h00 – 15h00	Ethics: Research integrity Specific ethical issues in research: publication and authorship; plagiarism; consent forms
15h00 – 15h30	Gamified activity – Dilemma game
Coffee Break	
15h45 – 17h30	Gender equality and gender aspects in research
17h30– 17h45	Tips on how to write about ethics and gender in HE proposals
17h45– 18h00	Wrap-up and closing

Wednesday – April 29th, 2024 - Online

Time (WET/GMT)	Public engagement – Agnieszka Szynek, INNOWO, Poland
14h00 – 14h45	Introduction and overview of public engagement concepts in RRI framework Communication Strategy – framework and planning
14h00 – 15h15	Stakeholder Engagement: mapping, selection. The Power Interest Grid.
Coffee Break	
15h30 – 16h30	Group activity: Design the Communication and Stakeholder engagement strategy and activities based on five case studies
16h30– 17h45	"Plenary presentations of each group strategy and outcome 15 min per group"
17h45– 18h00	Wrap up and closing

Wednesday – April 30th, 2024 – DEGEIT - Room 10.1.11

Time (WET/GMT)	Policy stakeholders' engagement and writing – Andreas Kraemer, Ecologic Institut, Germany, Oceano Azul Foundation, Portugal
14h00 – 14h45	Introduction and presentation “The Interface of Science and Policy”
14h45 – 15h30	Working Groups: Peer review of pre-assigned summaries and ranking (for plenary presentation)
15h30 – 16h00	Back in plenary: Presentation of selected summaries (with feed-back)
Coffee Break	
16h15 – 17h15	From Bullet Points to Policy Brief: Tips & Tricks for “Writing to be Read”
17h15– 18h00	Practice and Reflection Time

**Funded by
the European Union**

The EPIBOOST twinning project has received funding from the European Union’s Horizon Europe research and innovation programme under grant agreement No. 101078991. The ERA Chair project BESIDE has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 951389.
